

STATEMENT OF PURPOSE

RS20349

This legislation reverses the impacts of H376 of 2009 scheduled to take effect on July 1, 2011. It shifts money back to the Idaho State Police and the Idaho Department of Parks and Recreation on an ongoing basis. It changes the distribution percentages of the Highway Distribution Account back from 62% to 57% for the Idaho Transportation Department and reinstates the 5% distribution to the Idaho State Police. It restores the 3% distribution from the gasoline tax to the Idaho Department of Parks and Recreation.

FISCAL NOTE

No impact on the General Fund. The fiscal impact is to prevent a shift in dedicated funding that would have taken place on July 1, 2011. Annual distributions from the Highway Distribution Account to the Idaho State Police are about \$15.3 million. Annual distributions from the gas tax to the Idaho Department of Parks and Recreation are about \$4.3 million.
